

KÖRWIN Frédéric

(1834 - 1893) ¹

Mahlitzsch (DE)

Biography

Frédéric Christian KÖRWIN was born in Saxony. His father was *Mühlenbesitzer* in Mahlitzsch (Sachsen). KÖRWIN later spelled his name as KÖRVIN, KÖRWIEN or KOERVIN ...

KÖRWIN must have come to Luxembourg around 1860; his occupation was *Instrumentenfabrikant*.

In 1861 he resided with the BEFFORT family (*tisserands*) in Pfaffenthal (Vauban Strasse 49). He was a lodger with the family and conceived a child with Anne BEFFORT, daughter of the house.

KÖRWIN left Pfaffenthal to reside in Luxembourg-city (Eicher Gasse 13), where the couple's daughter Anna Theresia was born.

He declared the birth of Anna Theresia to the Registrar of Luxembourg-city and Anna BEFFORT was registered as mother and declared *ehelos*.

In 1864 KÖRWIN lived on his own in Vauban Gasse 59. Anna BEFFORT no longer formed part of her family in Vauban Gasse 49.

The couple KÖRWIN-BEFFORT, however, married in Luxembourg-city in 1865 and legitimised their daughter Anna Theresia. ²

They returned to Vauban Gasse 49 to live with Anna's family.

In 1871 the family resided in Luxembourg-Pfaffenthal (Vauban Gasse 59) and by 1880 Frédéric KÖRWIN had taken over the *Lindenmühle* in Hollerich-Merl. ³

Around 1885 KÖRWIN left Hollerich-Merl and founded a *Sägewerk/Getreidemühle* in the *Schleifmühle* in Lintgen. ⁴ He died there in 1893. His wife Anna BEFFORT put the mill up for sale in the same year.

She died in 1927 in Luxembourg-city.
